City of Meadville, Pennsylvania,

Defendant

Civil Action No: 04-328 Erie

Hon: Sean McLaughlin, United States
District Judge:

SCHEDULING MOTION CERTIFICATE

Now, October 4, 2005, comes counsel for the Defendant in the above captioned action and states that on September 26, 2005, he did cause to be sent to counsel for the Plaintiff a letter with the Motion for Extension of the Case Management Order attached notifying counsel of his intent to file the Motion. This Motion is presented as contested, as counsel for the Plaintiff has not responded, despite numerous attempts to contact him, however, counsel for the Defendant does not believe there to be any reason why counsel for the Plaintiff would not consent to the Motion.
